Application is hereby made to the Village of Pawling Building Department for the issuance of a Street/Sidewalk Opening Permit for construction as herein described, pursuant to provisions of the Code of the Village of Pawling. The owner and the applicant hereby agree to comply with all applicable laws, ordinances and regulations and with all regulations and procedures as explained in this application, and will allow all inspectors to enter the premises for all required and necessary inspections. The following regulations shall apply:

- This application shall be **completed** and **signed** by the applicant, and submitted to the Building Department.
- This application must be accompanied by an electronic and paper copy of the following:
 1. **Site plan showing:**
 - (a) Location and dimensions of proposed street openings and/or blockages of the public right-of-way.
 - (b) Existing drainage, utilities, and other natural features including, but not limited to, wetlands, floodplains and wooded areas.
 - (c) Temporary and permanent sediment and erosion control measures, proposed grading and drainage features.
 2. **Liability insurance coverage:**
 - (a) For contractors acting in the capacity of a general contractor, \$1,000,000 minimum each occurrence, with the Village of Pawling named as the Certificate holder.
 3. **Proof of compliance with the mandatory coverage provisions of the Workers' Compensation Law and Disability Law.**
 - (a) Certificate of workers compensation insurance, on either the State approved **C-105.2** form or the **U-26.3** form **AND** certificate of disability insurance, on either the State **DB-120.1** or **DB-155** form **OR**
 - (b) Certificate of workers compensation/disability exemption **CE-200**, site specific.
- Fees required by the Village Code and as calculated by the building department, shall be paid by check, money order, or cash.
- Work covered by this application shall not commence prior to permit issuance and does not encompass work that would otherwise be required by a building permit.
- Any deviation from approved plans must be authorized by the approval of revised plans subject to the same procedure established for the examination of the original plans by the building department, including any required fees.
- Building Department shall be notified (minimum notice – 48 hours in advance) according to the required schedule of inspections.
- The permit is effective for **one year** from the date of issuance.

Rules and Acknowledgments

All work shall conform to the Code of the Village of Pawling, and must be completed within 12 months of the date of the street/sidewalk opening permit issuance, or a new permit shall be obtained by the Applicant.

I, the undersigned, understand that the permit which may be issued pursuant to this application is issued on the assumption that all of the representations made on this permit application are true and accurate. I have read and understand the provisions of the Village Zoning Code, NYS Building Code and related Rules and Regulations and will comply with said requirements. I understand that if any of the information on this form is found to be untrue or inaccurate, or if the work initiated pursuant to a permit granted based on the representations made on this application is not completed in accordance with the representations made on this permit application, then the permit may be revoked without notice to myself, the contractor, or any other party.
