Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

The Village Street Dept. has successfully maintained the roads within the village by thorough sweeping of the streets within the village. During the fall the Street Dept. has an aggressive program to pickup the leaves throughout the village. The evidence is noted by the reduced number of catch basins that are clogged from leaf debris. The Street Dept. picked up 211.3463 tons of material from the street.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

It is very evident that the village program for maintaining the village streets is very effective. the streets are very clean and free of litter, sand and leaves. The catch basins are notably free of clogged frames and grates.

TO: DUTCHESS COUNTY MS4 COMMUNITIES
FROM: ERIN SOMMERVILLE, DCSWCD
SUBJECT: PHASE II STORMWATER ASSISTANCE IN YEAR 17
DATE: 3/15/2020

Dear MS4s:

This memo provides details regarding Dutchess County Soil and Water Conservation District's (DCSWCD's) activities during Year 17 of the Phase II stormwater program. Additionally, we have included information regarding some activities completed by other organizations during Year 17. For ease of review and reporting, the reportable activities are organized into Phase II's six minimum measures.

1. Public Education and Outreach on Stormwater Impacts

Year 17

During Year 17 DCSWCD distributed brochures and other printed materials related to stormwater and water quality at numerous public events including the Dutchess County Fair (8/20-8/25/2019) and DCSWCD annual seedling sale (4/26-4/27/2019). A total of 1997 pieces of material were handed out at these events. DCSWCD also provided educational brochures to municipal employees for distribution at various "Community Days" and other public events.

DCSWCD continued to administer the Dutchess County MS4 Coordination Committee which includes all traditional MS4s as members, as well as the New York State DOT and Dutchess County DPW. This committee meets monthly to discuss Phase II related topics. Meetings were held on: 3/20/2019, 4/10/2019, 5/8/2019, 6/12/2019, 7/10/2019, 9/11/2019, 11/13/2019, 12/11/2019, 1/8/2020 and, 2/05/2020. In lieu of an October meeting Committee Members attended the SENY Stormwater Conference. The conference was held on October 16th, 2019 at Dutchess Manor in Beacon. The agenda for the conference can be found in Attachment A.

DCSWCD hosted 3 NYSDEC certified contractor training sessions during Year 17. These were four hour classes for area contractors regarding proper soil erosion and sediment control. The training dates and number of attendees were as follows:

Date	# of Attendees

Again in 2019, DCSWCD assisted in the organization and administration of the Hudson Valley Regional Envirothon at the Taconic Retreat Center on May 1st. The Envirothon is an environmentally based competition event between teams of high school students. The 2019 focus topic was **“Agriculture and the Environment: Knowledge and Technology to Feed the World”**. A total of 14 schools from the 6-county region competed with 21 teams. From Dutchess County, Arlington High School competed with 1 team and Ketchum High School competed with 1 team.

In Year 17, DCSWCD staff continued to maintain, update, and improve the stormwater webpage associated with the overall District website (<http://dutchessswcd.org/stormwater.htm>). The webpage includes information and web links useful to residents, businesses, and MS4s regarding Phase II and stormwater.

DCSWCD staff also maintained the MS4 Committee Facebook page (<https://www.facebook.com/pages/Dutchess-County-MS4-Coordination-Committee/246740025520089>). This page helps educate the public on MS4 related issues and any campaigns the committee is working on. This page has 36 “likes”.

DCSWCD assisted in the organization of the 2019 Southeast New York Stormwater Conference & Trade Show on October 16th, 2019 in Beacon, NY (see attached agenda, Attachment A). This conference was attended by many MS4, county, and state officials, as well as consultants, contractors, and stormwater product providers. This conference provided attendees with a plethora of stormwater information and education. One Hundred and thirty-five people were in attendance.

The Committee also held a Stormwater Management Officer Training on June 12th, 2019 at the monthly MS4 Meeting. The flyer and attendance sheets can be found in Attachment B.

2. Public Involvement/Participation

Year 17

Public participation activities that DCSWCD participated in include attending quarterly public meetings and monthly working group meetings of the WIC, and monthly meetings of the Dutchess County MS4 Coordination Committee.

3. Illicit Discharge Detection and Elimination

Year 17

Considering sediment loading in stormwater as an illicit discharge, DCSWCD has a Certified Professional in Erosion and Sediment Control (CPESC) on staff to assist communities with soil erosion issues. DCSWCD staff regularly responds to calls from MS4s who are witnessing illicit discharges from construction sites. We respond, assess the situation, and act as an agent to NYSDEC as necessary to move towards enforcement actions.

4. Construction Site Stormwater Runoff Control

Year 17

As stated above, DCSWCD hosted 3 training sessions for local contractors regarding proper soil erosion and sediment control.

As stated previously, DCSWCD has a Certified Professional in Erosion and Sediment Control (CPESC) on staff to assist communities with soil erosion issues, particularly those due to development or redevelopment projects. DCSWCD regularly responds to calls from MS4s to inspect problem construction sites.

5. Post-Construction Stormwater Management

6. Pollution Prevention/Good Housekeeping for Municipal Operations

The Committee held a Pollution Prevention/Good Housekeeping/IDDE Training on November 13th, 2019. The Flyer and attendance sheet can be found in attachment C.

If you have any questions please contact me at 677-8011 x3. We look forward to continuing to collaborate with Dutchess County MS4 communities in the future.
