

Dist. 3/31/2023
Ref. # 26.23

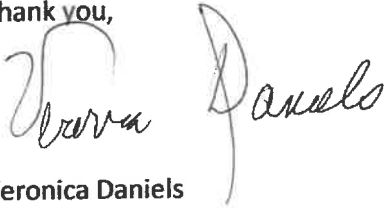

March 30, 2023

Attention Pawling Joint Sewer Commission:

In Reference to billing date, March 15, 2023, account # 10308 for sewage \$ 1401.70 and water \$ 540.84 at 4 Walnut Street, see attached.

Please be advised that I was out of town due to my Brother's failing health. My neighbor contacted me to let me know the outside water facet was running. Upon being notified, my son fixed the water facet and shut off the outside running water. Therefore, the excess water did not enter the sewage system. I am asking that the bill for sewage/water be adjusted accordingly to reflect normal sewage usage and that no late fee be applied to this account.

Thank you,

Veronica Daniels
